BSG Playoff News

We have almost finalized our plans for the year-ending event. The players with the three lowest scores, in each division, from the Tournament of Champions at Pasatiempo, along with the overall season points leaders, will qualify to compete. There will be an 18 hole event, at a to-be-determined course on a weekend, either at the end of August or beginning of September. We are presently investigating Tee time availability at several courses in the Bay Area. The format for this 18 hole event will be determined by the participants after the TOC at Pasatiempo. We will suggest a couple of different formats and the players will decide what game to play.

Remember, to qualify for the Tournament of Champions at Pasatiempo, you must have competed in a minimum of three tournaments.

Tournament Winners & Players Advancing

Congratulations to all our tournament winners and those players that have advanced to the next level:

Van Smith - Green to Bronze
Joseph DeMera - Green to Bronze
Rushil Desai - Green to Bronze
Deane Rinaldi - Green to Bronze

There are several more players that only need one more qualifying score to advance. Have Fun & Good Luck.
